Other costs and allocation of payments

Father is required to pay Clearinghouse fees and will incur interest for unpaid monies due (arrearages).

SUPERIOR COURT OF ARIZONA  
MARICOPA COUNTY

FC 2011-070163

07/18/2016

Arizona law sets out the prescription for order of payments and how the Clearinghouse shall account for funds: child support is paid first, then spousal maintenance, then fees, the child support arrearages, and finally spousal maintenance arrearages.

Upon review of the case, pleadings filed, and good cause appearing,

**IT IS ORDERED** vacating judgments entered on March 26, 2013, for \$7,642.14, December 19, 2013, for \$5,600.00, and March 14, 2014, for \$6,267.52.

**THE COURT FINDS** Father does not owe Mother any additional funds and is current on all payments from April 1, 2011, through April 30, 2016.

**THE COURT FURTHER FINDS** Father has an overpayment of \$8.75, which will apply to future payment(s).

**IT IS ORDERED** applying Father's overpayment of \$8.75 to his future payment(s) to the Clearinghouse.

This resolves this matter. No further hearings will be set.

**IT IS FURTHER ORDERED** denying any affirmative relief sought before the date of this Order that is not expressly granted above.

**IT IS FURTHER ORDERED** signing this minute entry as a formal, final, and appealable Order of this Court pursuant to Rule 81, Arizona Rules of Family Law Procedure.
